ABOUT ME

I'm a 17 year old video journalist, graphic designer, and mechatronics hobbieist with current residence in Saint Charles, Missouri. I am originally from Chicago, but have lived here for almost 13 years now.

For the past 3 years I have been working for Francis Howell North Publications, making video stories and producing live events. My goal is to always keep growing and learning , improving and expanding my talents.

MY SPECIALITIES

Graphic Design
Visual Effects

Film Making
Video Journalism
Live Broadcast

Mechatronics
